4 Bedroom, 2.50 Bathroom, 2,546 sqft

Residential on 0.28 Acres

SUMMIT PARK, Baltimore, MD

Nestled on one of Summit Park's friendliest streets, this inviting Colonial blends timeless charm with thoughtful updates. With four bedrooms, two-and-a-half baths, and flexible living spaces, it's a home designed for comfort, connection, and easy everyday living.

Inside, you're welcomed by a spacious living room featuring hardwood floors, crown molding, and a gas fireplace with a custom cherry mantel and marble tile surround. The adjoining sunroom features tile flooring with radiant heat, a ceiling fan, and a convenient powder room, inviting year-round enjoyment. The dining room, with its hardwood floors, features a wide opening to the beautifully remodeled kitchen, creating a seamless flow for entertaining.

The kitchen was expanded and completely redesigned in 2021, featuring cherry cabinetry, quartz countertops, tile floors, stainless-steel appliances, recessed and pendant lighting, and a large island with seating. A breakfast nook overlooks the back deck and yard through its many windows, filling the space with natural light.

Upstairs, the primary bedroom provides wood floors and an updated en suite bath with a glass-enclosed shower. Two additional bedrooms—one with a perfect reading or office nook—and a hall bath with custom tile

accents complete this level. The second floor also boasts all new shaker-style doors (2025) and freshly painted trim. On the third floor, an additional room with vaulted ceilings offers excellent flexibility as a fourth bedroom, office, or art studio.

Notable mechanical and structural improvements include a mini-split HVAC system for the first floor (2021), a new 50-gallon water heater (2025), a gas fireplace insert (2020), and refinished hardwoods and multizone heating from a major two-story addition (2008) that also added radiant heat, a powder room, and the charming wrap-around front porch. Exterior updates include new 6" gutters (2023), Hardie-board siding on the garage (2018), a rock-garden drainage system (2024), and a 40-year roof (2004). The detached garage features 240 V / 50 amp service for future EV charging. Outside, enjoy the composite front porch and spacious back deck—perfect for morning coffee or summer dinners. The yard offers room to play, garden, or entertain.

Located minutes from Catonsville's shops, restaurants, schools, and library, with quick access to 695 and 95, this well-maintained home offers true neighborhood living. Warm, comfortable, and thoughtfully updated—121 Forest Drive is ready to welcome you home.
